

Photoshop The Old Fashioned Way

It's been another long hot summer in Oklahoma, but we're seeing signs of fall right around the corner and of course, that means OPS monthly meetings will begin again.

The September meeting will be Monday September 10 at Will Rogers Garden Center beginning at 6:30. Dennis Parker will be our featured artist. If you have a photo that seems like it could be a painting, but you just aren't sure how to make it successful, please bring it and Dennis may choose it as his reference photo for the demo. Dennis will show how to change composition, color, and values to make a hohum photo into a blockbuster painting.

Desmond O'Hagan

The Desmond O'Hagan workshop is currently full, but in case you weren't able to be involved in the workshop, there is good news! Desmond will be staying over an extra day to do our program for the October meeting so mark your calendar to be sure OPS is your place to be on October 8.

Member News

Jude Tolar, for the second year in a row, has had a painting accepted into the Pastel Society of America show held in New York City annually. Congratulations to Jude, we can't wait to see the CD of her work along with the other well known artists who are in the show.

Our August Small works show was a success with both Bob Kaiser and Becky Way selling work. Thanks to all who exhibited in the show and special thanks to Linda Battles who is the show chairman and has done such a good job on arranging shows for us.

Officer News

We do have one piece of sad news-Roseanna Kaiser has had to resign the presidency of OPS due to ill health so we are currently working with last years slate of officers. If you are interested in serving OPS as their president, please contact Sue Ann at sueann@cox.net for more information.
